R-r-ring-a-ling — time to get up as the alarm awakens John Bierlein for another day at school.

RISE and SHINE-

Day by day, week by week, month by month, the school year goes by. The hands on the clock tick off the memorable moments in the year — The passing of time, the passing of the year, the passing of the school season, 1954-1955.

We, the Seniors, dedicate to the future graduates of Brooklyn High School, this annual, which time and work have put together. It is a small token to light the way to their goal of graduation.

TO the FUTURE GRADUATES

ANOTHER DAY. ANOTHER SCHOLAR.

Here we see Delores Kucha following her daily routine of getting up and off to school.

It's up at seven . . . breakfast . . . a quick brush of the teeth . . . dressed! Grab your homework and books, your coat and scarf . . . wave "good-bye" to Mom and then dash to the bus. Catch up on the latest gossip . . . compare a few answers to homework questions and then you're here at shcool . . . ready for a busy, busy day.

BUSY DAY! BUSY DAY!

BUSY BUSY, BUSY DAY!

Mr. Snider begins his busy day at school by "punching the time clock."

THERE'S THE 8 O'CLOCK BELL.

Hurry — we'll be late. Classes are assembling History — Math — Home Ec. But who are behind these classes? There are the indispensable faculty and Board of Education who try to set our paths straight. These men and women who give to us their time and their learnings, — these are the people to whom we owe our education.

FOR SMOOTH RUNNING---- A GOOD MAIN SPRING-

Just as a clock is run by many mechanisms behind its face, so is a school. One of the most important of these mechanisms is the school board. The efficiency and smooth running of the clock, our school, rests upon their shoulders.

Responsibility to the people of the Brooklyn School District is given to the Board of Education when they are elected by the residents. The rules and regulations are set up by the State of Ohio.

JOHN K. NIEMAN, *Principal*
B. S. in Education; M. S. in Administration;
Miami University

The high school faculty is headed by Principal John K. Nieman who coordinates activities, plans general programs, and supervises the carrying out of this program to the parents, etc. It is his responsibility to maintain the morale of the student body and uphold the standards of the school.

Student problems, concerning vocations, scholarships, college preference, along with the personal problems of the boys—these constitute the field of Mr. Jones, Guidance Director. It is his job as attendance officer to see that all the students are legally in attendance. Also he has classes in English and Journalism.

Mrs. Scheu, as dean of girls, supervises the attendance of the girls and councils them with their many problems. In addition to these duties, Mrs. Scheu supervises the cheerleaders, annual staff, and teaches mathematics.

TO KEEP the CLOCK TICKING-----

Open up the clock and you'll find many little wheels whose steady, faithful performance keep the clock ticking. There's Mrs. Mitchell — cheerfully holding forth in the office as high school secretary, "Johnny" and his maintenance staff who keep our busses on schedule, the school ground neat, the building clean and in good repair. In the kitchen, you'll find Mrs. Berg and her busy staff preparing lunch for the hungry mob.

In the clinic, student girls interested in nursing, take care of minor injuries and keep records of students' ailments.

ASSEMBLIES BRIGHTEN UP THE STUDENT DAY

'How to improve your memory' was the topic of the talk of Sigmond Blomberg (alias Mr. Memory)

John Hughes, noted Welsh lecturer and news commentator, gave us a clear picture of Great Britain and her present problems

Our Christmas program brought us a very modern interpretation of the "Nutcracker's Suite" portrayed in a miniature theatre with marionettes and puppets. The band, Glee Club and Ensemble were also on the program with songs and Carols to put us in the Christmas Spirit

Bill Randal of station WERE MC'd an "all star" program featuring Edyie Gorme, the Norm Petty Trio and accordionist Sal Bucarey, accompanied by Wendell Tracey's band.

Negro spiritualist and pianist Charles Lampkin entertained us with the songs and poetry of his race

Dr. Marti, in native Swiss costume, lectured on the Switzerland of the 20th Century

Thanks to Clementine Tillett and Barbara Bielert for the winning record poll of students. The Crue Cuts presented a special show for Brooklyn students, climaxing their performance with "Ko-Ko Mo." Extra treat were the Tracy Twins, a vocal group

"Namashari" (Hello or Farewell) another of the many interesting assemblies, was Ted Parkinson's review of everyday life in India. Adding to the interest of his program were three Indian maidens, Usheroni (Delores Kusha) Nusheroni (Joan Hamilton) Rodheroni (Mary Kreshak), portraying the costumes and customs of the people of India

"Our Miss Brooks", proved to be one of the most enjoyable assemblies as students viewed the faculty in the various character roles of this popular comedy

TEN MINUTES to NINE.

Ten minutes to nine! Let's go! It's time for homeroom. If we're late, we'll miss the daily announcements. Another dance? I guess we'll have to start making plans for it tomorrow . . . The boys are playing basketball tonight. Shall we go watch and see who wins? . . . When's the carnival and what kind of a booth are we going to have? . . . There's the bell! I've got to hurry or I'll be late to second period.

NOW IS THE HOUR- CLASS OF '55

Time on our hands, — time to study — time to play — time to learn. But time marches on and with it we march toward Graduation Day. We've marched through many years together through dances and carnivals — through English and history classes — through sports and plays — we've marched together.

There were many times when the refrain, "I wish I were a Senior," was said. And now, "Where has the time gone?"

"THANKS"

Joseph Znamenak

Behind the scenes of the many activities of the Class of '55 have been our two class sponsors. While we planned our dances, our carnival activities, or our parties, one or the other was there to guide and encourage.

They helped us through our many crises, tempered our judgements, lent practical advice. They supervised and chaperoned and joined in our fun—Mr. Znamenak for the past six years, Miss Frech for the past two—both have become a vital part of the workings of the Class of '55.

For their hours of service, let's take a moment to say "thanks."

WAS IT ONLY YESTERDAY? CLASS OF '55

It seemed like only yesterday, that we (now Seniors) were just starting our career as high school students.

Yes, we were green. We were somewhat confused with subjects and credits (I guess some of us still are!), but we managed to make ourselves known. There was classmate Nancy Cran who won a berth on the Cheerleading squad which won the County Championship; Dennis Hadick, Jack Richie, Terry Hansley and Al Amon acquired a few bruises and sore muscles while out for both football and basketball as Matt Heidorf, Mel Petrov, Rich Farmen, Phil Lanning and Ken Kriss formed part of the football and track squads.

We didn't waste any time learning the ropes, either. We did quite well on the Rebound Booth at the Carnival and gave the other classes a run for their money in the One Act Play Contest by our dramatic production "Who's Afraid" featuring such "characters" as Bill Sabo, Chuck Hinz, Bob Yankovitz, Ron Hudak, Mel Petrov, Matt Heidorf, Gloria Giachetti, Kae Finley, Marie Fekel and Arlene Gavel.

Giving impetus to our activities were Dennis Hadick, class president, and our class advisers, Mrs. Posgai and Mr. Znamenak.

The green began to wear off as the first year rolled away —. Now we are Sophomores with Mrs. Posgai (wasn't she full of sparkle) and Mr. Znamenak again our class sponsors. Matt Heidorf changed places with Denny as he took over as class president. We (or was it Mr. Z?) really were original with our Boat Docks booth at the Carnival. Our first dance featured Jack Richie and Connie Felice as King and Queen of the "Sweet Heart Swirl."

Again many of the boys went out for sports — while Gloria Giachetti and Nancy Naperta joined

Nancy Cran on the cheerleading squad. Several of the girls participated in basketball and were consolation champs of the Pigtail League.

Gosh! Is it our Junior year already? Sorry to lose Mrs. Posgai but awfully glad to hear the news (The stork arrived, you know?) but then we did get Miss Freck as a sponsor and good old —, (almost slipped) — Mr. Znamenak is still with us. Matt Heidorf, as president, hepped us up to a real bang-up Sadie Hawkins Day Dance with all the trimmings — even a scare-crow!

The class coffers bulged as we stashed away our profits of the dance and also the Turkey Raffle at the carnival. (We're planning a real super banquet and prom to honor the Class of '54!) "Winter's come. Can spring be far behind?" Nope . . . it's here and with the March Winds came the Juniors' Breeze Bop.

As Thespians we ranked second in the One Act Play Festival with "The Valiant." In the cast were Jack Richie, Ronald Hudak, Eleanor Kubik, Melvin Petrov, Terry Lepley and Matt Heidorf. Musically, Carole Seahorn and Carol Wald were members of ensemble which won the district contest. Joan Brinza, Nancy Naperta and Nancy Cran were members of the Daisy Mae Basketball Team which became City Champs.

A Hawaiian Paradise was the scene of the Junior-Senior Banquet. The Juniors served as host to the Class of '54 and the faculty. Two weeks later, the Lake Shore Hotel with its adjoining terrace was the setting for the prom.

June came and with it report cards — we made the grade — whewww! Now we're Seniors. One more year to go! Will we make it?

September — back at school and there to greet us again were Miss Frech and Mr. Znamenak who soon had us busy making plans for the many Senior activities — portraits, announcements, friendship pictures, and ordering caps and gowns.

We caught the football spirit and kicked off the social season with "The Kick-Off-Dance," transforming the high schol gym with football cut-outs and goal posts.

Speaking of football, Senior Terry Hansley rated the Press Dream Team!

Carnival time was here before we knew it. Stuffed animals were the prizes we offered at our booth "The Intelligent Auto." Then there was Homecoming with Senior Mary Kreshak reigning as queen. Nancy Cran and Gloria Giachetti were her attendants.

Christmas vacation already? Full of the spirit of Christmas and thoughts of giving, we gave the social minded Brooklynites a real treat with the "Winter Enchantment" Dance. The "Hi Lighters" presented the music.

From September till March our efforts were concentrated on producing the 1955 yearbook. Long hours were spent on selling ads, taking pictures, writing articles and worrying about our deadline. (We think it was well worth the effort.) Well-I-I . . . finally! Last page finished.

Moonlight and Roses was the name given to the Junior-Senior Banquet held at the Radoan Cafeteria. Roses and soft lighting lent intimacy to the room.

The Lake Shore Country Club was the setting for the Junior-Senior Prom, with Bobby Hanson's Orchestra playing the dreamy music.

Up and down — up and down we marched, practicing for that day. Baccalaureate — hearing what the Reverend said to us, making us think of the future more wisely . . . Commencement is here, and we wonder just what our life holds for us out in the big, wide world. Well wishes, and great happiness was expressed to our honor students Joann Brinza, Valedictorian and Mary Kreshak, Salutatorian. . . . Student speeches . . . farewells . . . advice for the future . . . a few tears . . . many good wishes . . . now we're Alumni.

COUNTING THE MINUTES----

CLASS of '56

Counting the minutes until they would be the "big wheels," the Juniors worked hard to give the present "big wheels," a good send off. Since their early days as seventh graders, they have built up a treasury adding to it in their Junior year, by a successful turkey raffle at the carnival, a r.p. roaring "Sadie Hawkins Dance," and the Junior Jump in March.

The "Roaring Twenties" was the theme selected for the Junior-Senior Banquet. Seniors and Faculty were guests at this annual affair, held at the Radoan Cafeteria. Climax of the year for all social-minded Juniors and Seniors was the Prom held May 27, at the Lake Shore Country Club. Bobby Hanson's Band was featured.

Minutes to go, the Juniors take over the seats of honor (first row seats in the auditorium), and exchange roles from hosts and hostesses to guests at these looked-forward-to affairs.

IT SEEMED LIKE HOURS- CLASS OF '57

In spite of homework, basketball practice and social activities, the Sophomores found plenty of hours to work together as a class.

They have become well-noted for the unusual. Imagination ran rampant as they presented a target of moving planets for would be dart throwers in the *Space Travel* concession at the Carnival. Balloons, confetti, French balconies transformed the gym into a New Orleans Mardi Gras setting as a five piece band played soft and sweet music, loud and fast music, old and new songs for the many dancing couples as their first class-sponsored dance. The Mardi Gras on February 25. *Cactus Wildcat* allowed plenty of room for the active sophomores to let themselves go in a 'hoss-opery' as they made a valiant attempt to recapture the One-Act Play trophy.

On the serious side, Mr. Snider's homeroom stood first in the school in contributions to the Community Chest, while many of the Sophomores played an active part in several school activities, musical affairs and athletic events — developing a versatility that should make them one of the outstanding classes in years to come.

AS THE DAYS GO BY- CLASS OF '58

As the days go by, the Freshmen busy themselves (when they're not busily engrossed in Algebra or science) with such activities as the carnival, the one act play or attending dances sponsored by other school groups.

Their booth at the carnival, the Roli a Bock, made a nice profit for the class. Their presentation for the One-Act Play Contest was quite a hit with Bill Rice, portraying a mischievous little boy, heading a cast of twelve in "Life of The Party."

Freshmen were kept quite busy in sports. In football, the freshman team in the newly organized freshman league won one, tied four and lost one game. In basketball, they won 12 out of 15 games. Four girls won positions on the cheerleading squad.

Scholastically the freshmen were well represented on the Honor and Merit Rolls.

Yes, as the days go by, the freshmen are not idle for they are gaining recognition, experience and enthusiasm.

Stemming from our Student Council is a purpose — to promote a knowledge and interest in good government, as well as to encourage students to accept and discharge their responsibilities to themselves and their school, stimulation of the spirit of co-operation among students and faculty and to aid in development of loyal and constructive school spirit.

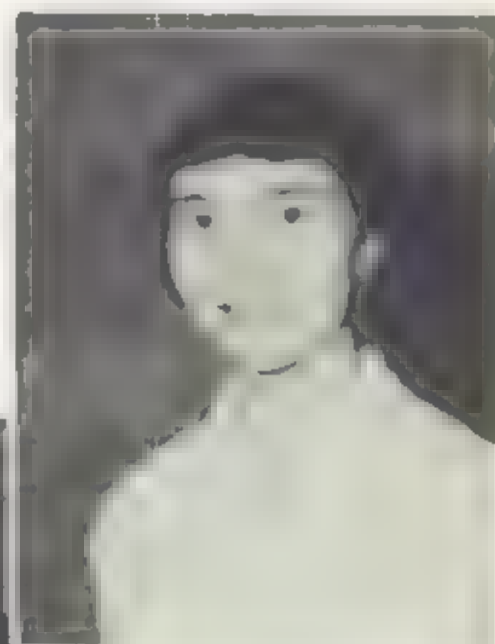

They have instituted such timely projects as "noon dancing" in the gym and a continuous clean-up campaign.

The Basketball Toss at the Carnival, the Spring Dance and the check-room at basketball games were a good means of income to purchase new records and keep the juke box in repair. Many other projects which benefit the school were undertaken by our Student Council, *The Stem of it all*.

Not only are the jewels of a watch of superior quality and dependability, but they are few in number. This is also true in our National Honor Society. Our "scholastic jewels" are few but are of superior quality and dependability. These students have been chosen because of these four ideals: scholarship, character, leadership and service.

This year the group have planned two service projects: to assist teachers in grading papers, to substitute in classes where needed.

On the lighter side, the group attended the play *Mrs. McThing*, at the Cleveland Play House on Feb. 23, 1955.

New members inducted April 13 were Seniors Kathryn Finley, Joan Brinza, Mary Kreshak and John Bierlein; Juniors Nuralon Hiltbrand and Diane Priborsky; and Sophomore David Birney.

THE DRAMATIC CLUB

The purpose of the Dramatic Club is to give interested students a chance to use and develop their dramatic abilities. Not only do they gain dramatic experience but also they learn many things concerning staging, lighting, and producing. Television has helped to make the student more aware of dramatics as an art.

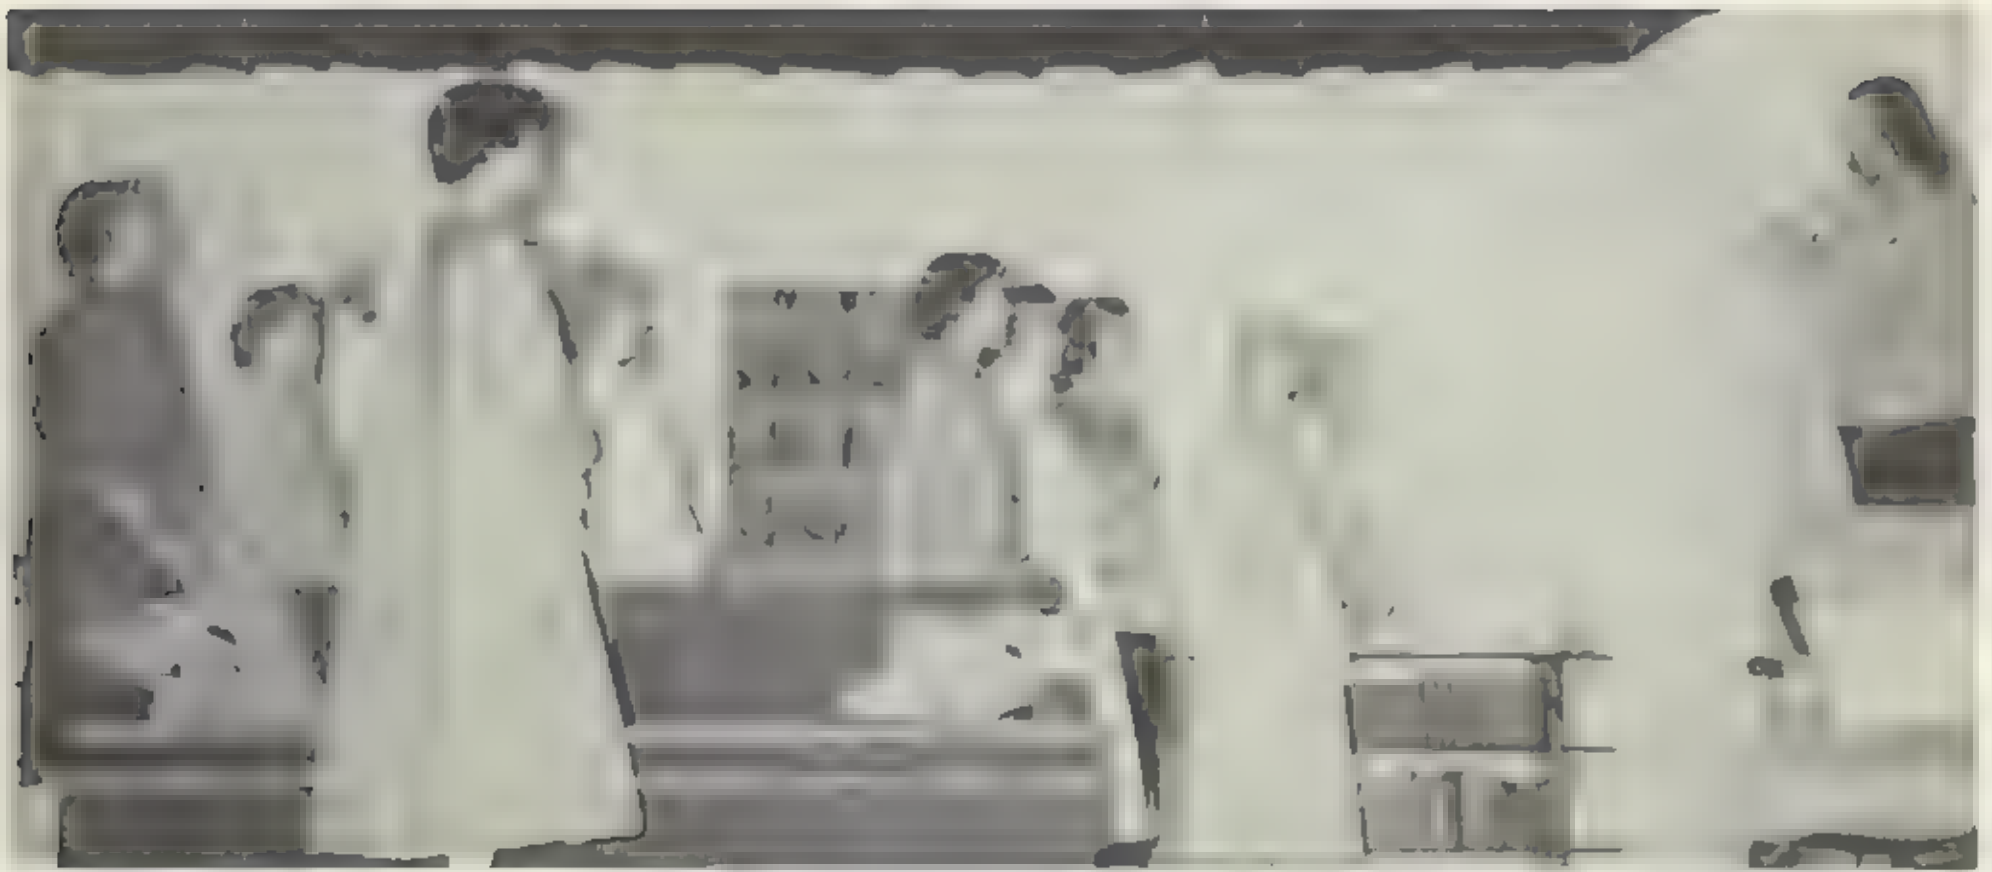

Take Care of My Little Girl, a three-act comedy, was the club's successful fall presentation. From the profits realized, they will purchase props for future plays. The theme revolved around sorority life in a midwestern college.

Plans for a spring production are under consideration.

Mr. Albert Snider is the director of the group.

CURTAIN TIME- ONE ACT PLAY CONTEST.

With two weeks of concentrated practice — memorizing lines, learning stage positions and gestures — the four classes are ready for the One-Act Play Contest, each hoping to win the coveted plaque

This performance was held on March 4, for the first time in the auditorium. First play on the program was the "Cactus Wildcat," a rip-roaring melodrama, picturing a boy's dea of the old West at its wildest. This play starred Dave, "Cactus Wildcat" Birney, the hero who saved Eleanor "Princess" Moir from the terrible villain, Mike McCormick. The story ended happily with the soda drinking Westerners putting the bad men in jail

The Seniors were next on the agenda. They selected a comedy, "Five for Bad Luck." The setting was a College dorm. Eleanor "Effie" Kubik, plain studious girl not addicted to social life is made the "goat" of a group of fellows who drew names to see who would take her to the dance. Lucky Jack "Bert" Richie, an all-star athlete, won the honor. Undergoing some quick changes, Effie proved to be the "belle of the ball."

December 7, Pearl Harbor, was the time of "Tell Dorie Not to Cry," a drama presented by the Junior Class. The story centered around Marilyn "Patricia" Kuhns, who is awaiting the arrival of her fiancé for their wedding. Jeanette "Dorie" LeTourneau, sister of Pat, was also in love with Cliff. The play ended with tragedy as news arrived of the death of Cliff during the bombing

With a brisk change of atmosphere, the Freshmen presented "Life of the Party." The plot centered about a mischievous little boy, Bill "Wilbur" Rice, who accidentally (?) put all the guests asleep at his sister (Jane Lane) "Betty Lou's" party because she didn't invite him. Wilbur redeems himself by suggesting a way to bring the party to life again with a promise to be invited to all future parties held by his sister.

Audience and casts were held in suspense as the judges made their decision. Their lively performance and good audience appeal rated the Freshmen second place, while the Juniors won the "Oscar" for their good dramatic presentation

Just as a clock works in rhythm, so the band plays.

Just as rhythm is important to a clock, it is rhythm that makes a good band. Marching to the beat of the drum, in march tempo and jazz, the marching Band put on eight colorful shows during half-time at the football games. They participated in the Parma Christmas Parade, a two mile march and hoped to play at the Chardon Maple Festival.

A Concert for the High School Study groups, the PTA Christmas program, and a spring concert were on the agenda for the Concert Band. They also entered the Ohio band competition on March 26 and promoted the music for Commencement.

The Christmas season proved to be the busy season for the Glee Club — the PTA Christmas program and assembly and carolling through Brooklyn via hay wagon. Guest appearances at the Brooklyn Garden Club at Christmas and Trinity Church during Lent and music at the Baccalaureate Service rounded out the glee club activities.

THE SWING OF THE PENDULUM- SR. Y-TEENS

"Building a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians." — is the YWCA purpose.

From the serious recognition services, the pendulum swung to the gaiety of carnival preparations as the Y-Teens made preparation for their Minstrel Show.

Service projects at Thanksgiving, Christmas and Easter gave them an opportunity to help others less fortunate than themselves. They served as a sponsor organization for the Usherettes, a group of girls who usher at spiritual events at the auditorium.

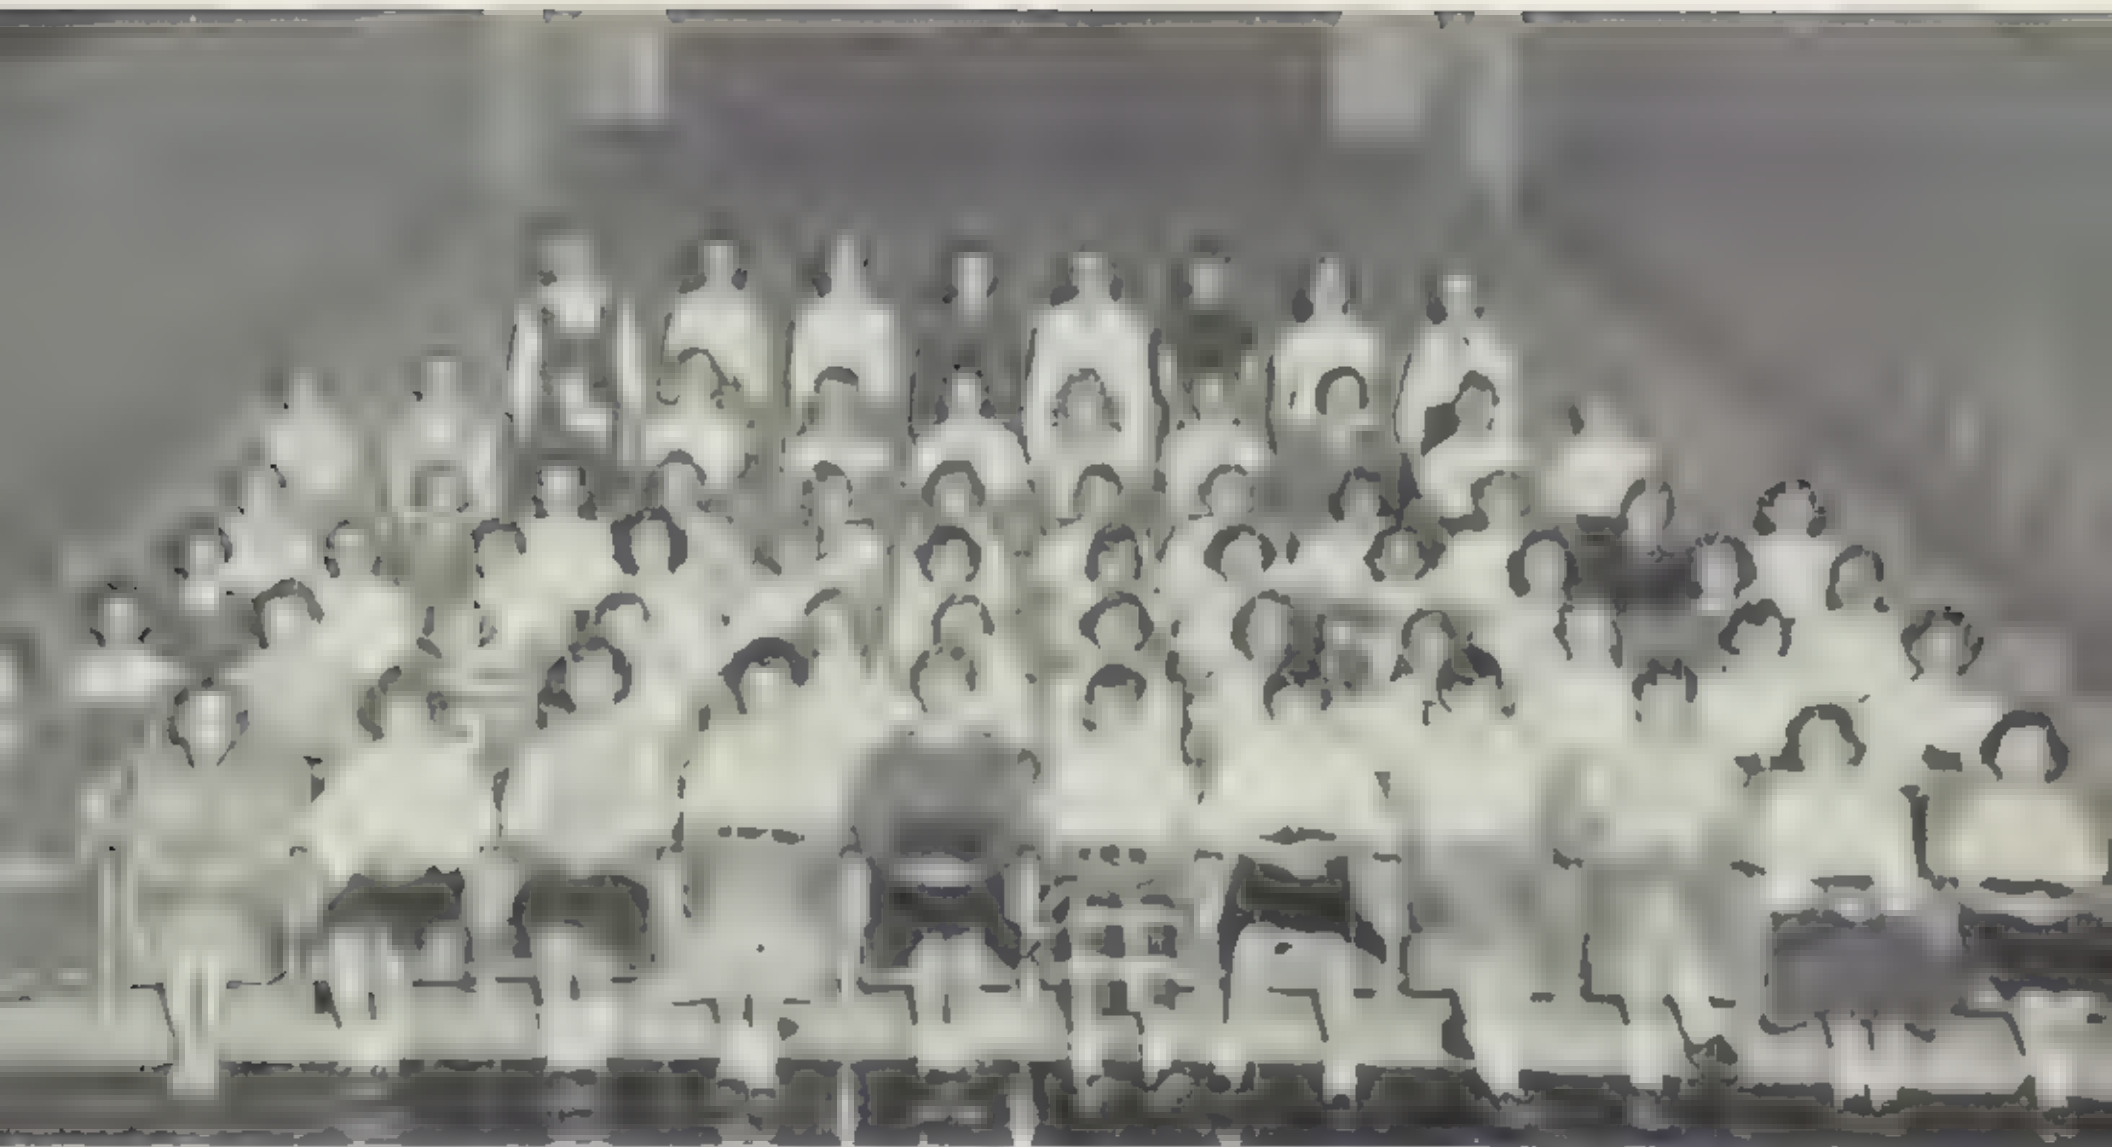

Swinging back to social, the girls held a Christmas party and gift exchange, an Apple Polishers Tea at exam time, and a P J party in the school gymnasium.

End of the school year found a new set of officers preparing for a busy year of fun and service and making plans to attend the annual summer conference in August.

As the pendulum swings back and forth in steady rhythm, so the Jr. Y-Teens endeavor to swing from social to serious projects. Acting as a 'get-acquainted' club for junior or high girls, they also serve the school, the community and the world.

Money earned was used to help equip the high school clinic and to provide a Christmas tree, food, toys and clothes to a needy family. As their world project, they filled a box for orphans in Korea.

Their programs also included skits by club members and films used to illustrate and encourage good manners, good grooming and the proper way to act and dress.

TIME EXPOSURE-PHOTO CLICKS

Cameras start clicking early in September as the members of Photo-Clicks, under the guidance of Mr. Znamenak, make a picture recording of the daily doings of the students of Brooklyn at work and at play so that your annual can present a good portrayal of your school days. Members learn the art of taking good pictures, developing negatives and tricks in lighting and many other ideas to increase their skills in their hobby of photography.

Monthly contests are held where the best picture in a certain classification is selected from pictures submitted by members

TURN BACK THE CLOCK-THE SALUTE STAFF

Every two weeks the Salute Staff endeavors to "turn back the clock" and review for you the events of the previous fortnight at Brooklyn — keeping you posted on the scores of games, coming social events and general news of interest to the students of Brooklyn.

The Salute is published bi-weekly by the Journalism class, the purpose of which is to study the theory of and provide practice in all aspects of the field of journalism. In addition to publishing the school paper, some of the members of the class attend the Journalism Clinic at Kent State University.

This year the co-editors are Jeanette LeTourneau and Robert Steiner. Mr. Robert Jones is class instructor and advisor.

Each year, the months of February and March find a hustling crew of Seniors rushing frantically to "beat the clock" — the publisher's deadline

From September through March, they gather information, take pictures, sell ads, design pages, and compile the thousand and one facts that put together in a unified way tell you, the reader, the story of your days at school — in 1954 and 1955

From April through June, the finances are straightened out, and plans for distribution laid so that before you leave for your summer vacation, the 1955 Eaglet has arrived on time, bills are settled — the accounts balanced, and the staff can heave a sigh of relief for what, they hope, is a job well done!

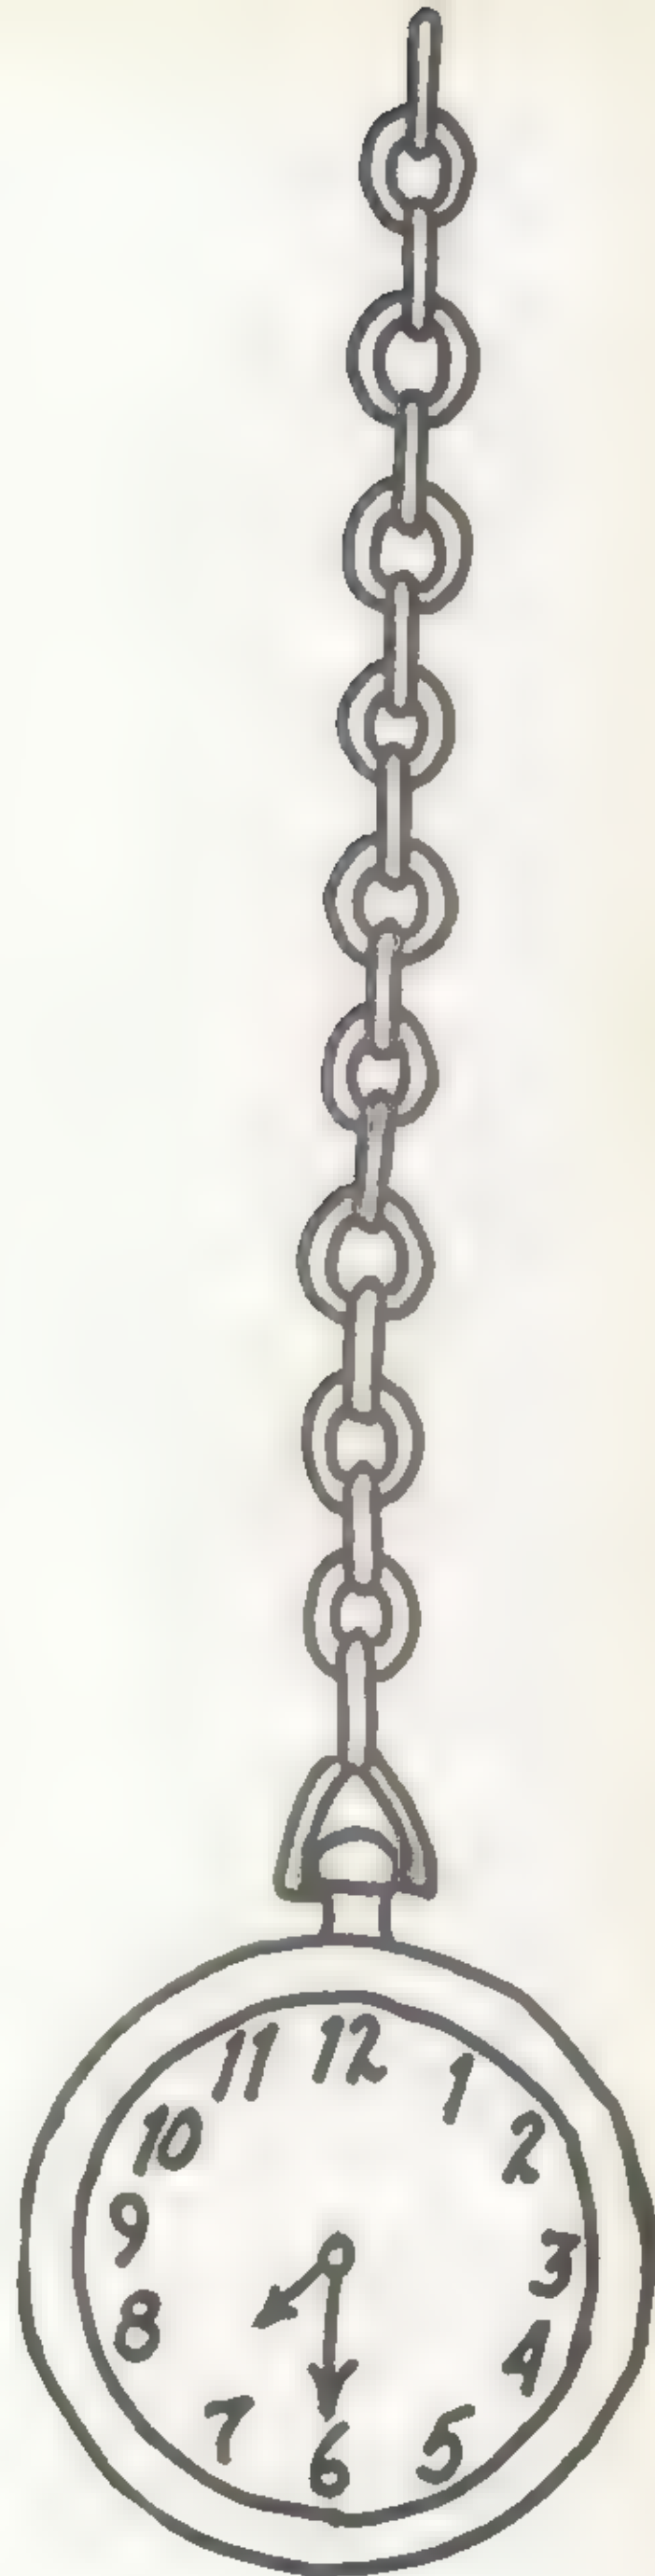

Coach Joy clocks the time as John Berlein makes a trial run

TIME OUT!

Minutes to go! The team's behind! Time out — check your plays — take a breather. Then it's back into the game with extra spirit and, we hope, a victory

Maybe the score doesn't indicate a win, but we know and you know you've won because as an individual and as a team you've given your best. Whether the weather was hot or freezing, damp or dreary, you're in there pitching. You've done OK, too. We've had our share of victories, individual honors and championships and, what's better yet, as time will tell, there's more to come.

HURRICANES BEGIN WINNING STREAK---

With the coaching of Marquardt and his assistants Pohjala and Joy, the squad entered the '54 football season in top shape

Losing the first 4 games by close margins, the team finally broke through the barrier and entered the victory circle for the first time in 2 years by defeating North Royalton on their home-field. The following week Hurricanes whirl-winded through Independence on Brooklyn's field with a 43-0 victory—setting a new school scoring record. The game came at a most opportune time being Dad's Night. The stands were filled and joy was unbounded as the team walked through the opposing lines and crossed the goal line 7 times!

The winning streak continued as in the final quarter of the Strongsville game, with Brooklyn behind 6-0, Terry Hansley broke through for a 30 yard run and then a 5 yard gain to tie the score and, with Ron Steffek kicking, we gained the extra point to bring a victory—thus ending the best season in the history of Brooklyn.

With Seniors, Al Amon, Terry Hansley, Matt Heidorf, Mel Petrov, Jack Richie and Ron Zupancic hanging up their gear, the team still has a strong backbone for next year. As many experienced, and now confident, Sophomores and Juniors return, the team should continue their winning streak in '55.

This year's basketball team started play as one of the five members of a newly organized West County League. Leading the Hurricanes was Captain Jack Richie. Mr. Pohjala served as basketball coach.

League play began with a victory for Cuyahoga Heights, the only league team undefeated by Brooklyn. Highlight of the season was the Hurricane victory over Gilmour Academy, as one of the strongest teams in Class B competition.

The team finished the season with an overall record of 7 victories and 7 defeats. In tournament play, they won the first game by defeating Strongsville for the third time this season and then lost to a strong Olmsted Falls team.

High point man of the year was Gary Cantwell with 170 points while James Gallaher was second with 144.

With a lot of returning lettermen and some good material coming up from the Championship J V team to form a nucleus for next year's squad, Brooklyn's basketball future continues to look bright.

FAST TIME - THE TRACK TEAM

With many freshmen and sophomores as the backbone of the 1954 track squad, and returning as seasoned cinder-men, the 1955 squad looks mighty promising.

As the Annual goes to press, the track team has been in only one meet — a triangular meet with Rhodes and Berea. Brooklyn placed second as James Gallaher set a new school record for the shot put — 47 feet 4 inches.

The team's main strength seems to be in the shot put, hurdles, and the 440 and 880 yard relays.

The '54 track squad, considering most of the team were underclassmen, did very well — finishing third in the district meet and sending five boys to the State meet. The five were Sophomores Bill Bredenbeck, Gary Cantwell, Henry Ruppel and Jim Gallaher and Freshman Ron Steffek. At the close of the season Bill Bredenbeck was chosen the most valuable trackman.

TIME AND AGAIN, JUNIOR HIGH ATHLETES WIN CHAMPIONSHIPS.

Adding to the string of championships acquired by the Junior High teams of the past five years, was the 1954 track squad with the Cuyahoga County Championship. The team won an easy first by a 20 point margin over their closest competitor.

In the '55 season, another championship was added. The Junior High Basketball team took first place in County play gaining another trophy for the case.

As this copy goes to press, the 1955 track team is just organizing and they'll be in there pitching for another championship.

GOOD TIMING : GOOD TEAMWORK-THE G.A.A.

Good timing in a clock is a result of efficient working of many parts: good teamwork is a result of good sportsmanship and fellowship — an interest in the group and not just one's self.

As good timing is essential in a good clock — good teamwork is necessary in a good sport. The G.A.A., or the Girls' Athletic Association is organized with that in mind, to stimulate interests in sports and improving their skills while playing together. They sponsor interclass tournaments and also the Yale-Harvard Basketball game.

MARK TIME! 1-2-3-4!-GIRLS' LEADERS CLUB

"Keep in time," shout the leaders as they assist Miss Frech with calisthenics in the girls' gym classes.

The Girls' Leaders Club is a club organized to assist with the girls' gym classes. The Members are chosen on the basis of their ability in physical education and leadership. As a club they enjoy many outside recreations such as swimming, bowling and horseback riding. They held a winter picnic and a play day with four other school groups such as their own.

SUMMER TIME IS PRACTICE TIME- FOR the CHEERLEADERS

Betty Lou Reda, Judy Barker, Nancy Cran, Renee Roche, Betty McDill, Judy Morrell

Soon after school was out in the spring of '54, the newly elected cheer-leading squad started practicing for the oncoming Football Season — with lots of practices to limber up, perfect their timing and create new yells, it was one of the peppiest squads in Brooklyn's history. As a group of six, the girls cheered the football team on. Dividing into two groups of 3, Nancy Cran, Renee Roche and Judy Morrell cheered for the Varsity Basketball games, while Betty McDill, Judy Barker and Betty Lou Reda cheered the Jay-Vees to an undefeated season.

IT'S A HAPPY TIME AS BOTH DAISY MAE AND PIGTAIL TEAMS WIN CHAMPIONSHIPS!

Both the Daisy Mae and Pigtail teams remained undefeated as they each earned their league championship. At the time of the yearbook deadline, they were preparing to enter city wide tournaments, hoping to bring another city championship to Brooklyn as last year's Daisy Mae squad did.

A FEW MINUTES AT HOME.

The few minutes at home between the school day and the evening activities may find the high school student getting ready for a date, doing a few household chores, watching TV or actually spending a few hours "cracking his books."

TIME TO BUY!

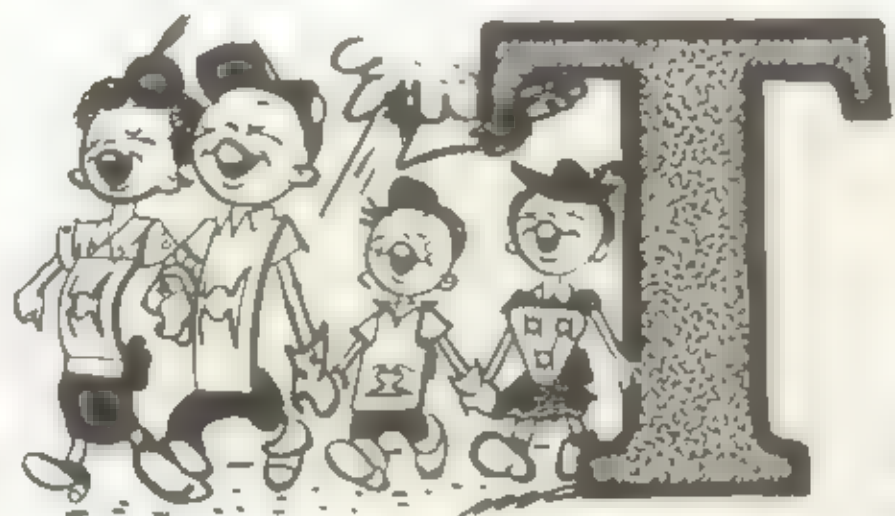

Just a minute! Before you turn out the lights — take a minute to read our ads.

Sometime your car will need repairs — your “butch” will need a trim or you’ll be hungry for a snack — someday you’ll want to thank the concerns that have given you service — through the cafeteria, through the maintenance of our present building, in the construction and landscaping of our new building.

Look to the advertising pages of your “Eaglet” for the services you may need.

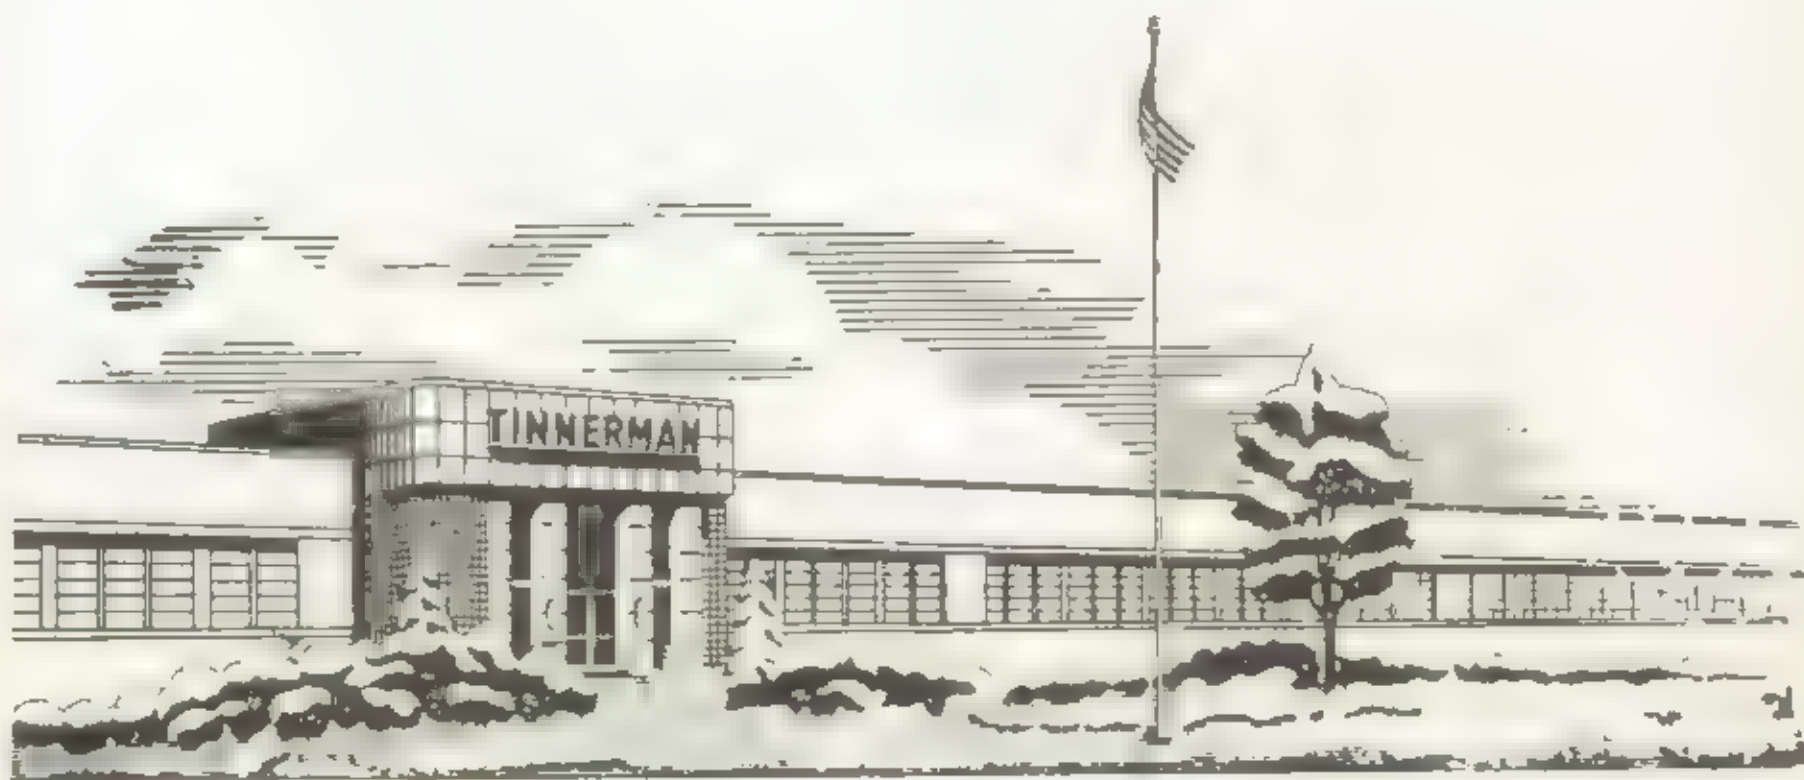

Think of these friends, our advertisers, when it’s time to buy.
